

SYSC receives 4 O'pen Bic Sailboats to use for the 2010 Season

SYSC entered an essay contest to win the use of 6 O'pen Bic's for our program next summer. The response to the essay contest was overwhelming and the Bad news is we didn't win the contest.

Good news is they were so impressed with the essay contest participants they are offering to a select few a new opportunity. If we purchase 4 O'pen Bic's for our program at the discounted Junior Sailing Program price - they will DONATE the use of 4 more for our 2010 Season!!!!

O'pen Bic will also be sponsoring a Wisconsin Regional "Unregatta" Circuit for the O'pen Bics. Currently the Circuit would include 4 stops at clubs from Fond du Lac, Lake Geneva, Madison, and Sheboygan! They will provide boats for each event if needed – up to 20 along with the "unprizes", refreshments, and all the fun the kids can possibly have!!!

SYSC is looking for sponsors to help us purchase the new boats. The cost per boat including sails, dolly, and shipping is \$2,850.

Sponsorships include:

Sponsor names will be adhered to the sail of each boat

Sponsor names will be included in all communication regarding the new boats, new program offerings, and at the ALL of the "Unregatta" events

FREE class during the 2010 Season (1)

FREE SYSC T-shirt or hat or book(1)

FREE SYSC Business cards – to hand out to friends and acquaintances

FREE Photo opportunities while the students are sailing

FREE Volunteer opportunities during the "Unregatta" events

FREE Smiles on all of the students using your boat
